J. Michael Seeley, MD, Joins Johnson County Neurology

Board-certified specialist delivers neurological and epilepsy patient care.

Overland Park, KS (March 8, 2010) – J. Michael Seeley, MD, has joined the Johnson County Neurology practice and the medical staff of Menorah Medical Center. Dr. Seeley is board certified in neurology and has a specific clinical focus on treating epilepsy.

Dr. Seeley received his medical degree from the Ross University School of Medicine. He completed his internship and a neurology residency at Albany Medical Center in New York and completed fellowships in clinical neurophysiology and epilepsy at Vanderbilt University Medical Center in Nashville, Tenn. In addition to his work in patient practice, Dr. Seeley has a strong academic and research background. He has served as an instructor of neurology at Albany Medical College and of clinical neurophysiology at Vanderbilt Medical Center. Dr. Seeley is affiliated with the American Academy of Neurology, the American Epilepsy Society and the American Clinical Neurophysiology Society.

Johnson County Neurology is conveniently located on the campus of Menorah Medical Center. Physicians at the practice diagnose and treat diseases of the brain, nerves, and spine, such as migraines, dementia, multiple sclerosis, Parkinson's disease, epilepsy, neuropathy, and stroke, among other neurological disorders. The practice accepts all major insurance plans and Dr. Seeley is now accepting new patients. For more information, please call 913-498-6652 or visit MyMidwestPhysician.com.
